THINKING ABOUT YOUR STUDY OPTIONS?

Are you aged between 16 and 19 and thinking about options for returning to or continuing your learning? Do you need NCEA credits to qualify for tertiary education or get a job?

You could be eligible to enrol for free with Te Kura!

Te Kura is a distance education provider offering a range of subjects up to NCEA Level 3, so you can earn the qualifications you need to get on in life.

Learning with Te Kura is flexible. You can enrol at any time of the year, in one or more subjects.

Teaching and learning is online and you can work anywhere, anytime.

You are able to enrol with us for free if you are:

- 16 to 19 years old (and not turning 20 in the current year)
- a New Zealand permanent resident
- living in New Zealand
- and not currently enrolled in a secondary school full-time.

Our staff will help you to choose the right course for you. They'll look at your goals, interests and what you've learned already to help you choose the courses you can succeed in.
