PLEASE DO NOT BOOK WITH PROVIDERS DIRECTLY

NB: To access YTT funding all akonga must be enrolled as Full time/ or Young Adults, enrolled in at least 3 subjects and engaged in Te Kura subjects (not on the Non Returners, though there are exceptions please discuss with me)

Email me your Student ID, Name, the Course description as well as the External Provider. Please also include the specific course dates if specified or ask for next available course. Or if you have a query.

Natalie.jones@tekura.school.nz

As a rule with Public Courses, last day for bookings is 7 working days out from start date as per MOU agreements. 3 weeks out from start is an ideal so providers can make a definite call to run the course or not.

To search this Catalogue click Control+ F (find) to create a search bar. Use key words, month, dates, course names and it will highlighted in Catalogue.

GROUP BOOKINGS are offered by many providers, typically however they have differing min numbers (11-20 akonga approx) to run. I will run several te Kura Group Courses they year that I will advertise on My Te Kura- My Korowai and in the STAR catalogues.

Workplace Communication and Teamwork

Grab those phones and start posting because Let's Learn is needing creative marketing that communicates their business to younger audiences. TikTok... the teams' re-branding proposals aren't going to make themselves. Teams of ākonga have been "hired" by Let's Learn to create a re-branding proposal that advertises their business to teenage target markets. Along the way, ākonga will learn about crucial communication, teamwork, and active listening skills.

Day One:

Listen up! Because today ākonga will be learning and demonstrating their best active listening skills. Want to know more? No worries: questioning is great evidence of listening. Ākonga will also learn about common communication barriers they may face in their lives, and practical solutions for overcoming these. They will then utilise these new skills in teams, by working together to draft a marketing proposal that clearly engages and communicates messages to teenage target markets.

Day Two:

Hit like and subscribe as today ākonga are making and presenting their team's final marketing ideas. Prepare to see some sharable TikTok's, logos, posts, and slogans. "Two words... sounds like..." Today ākonga will also learn the significance of non-verbal communication and reflect on how communication situations they have experienced could have been more effective and efficient.

Confidence and Resilience

Ākonga explore stress management techniques, useful support services, and problem-solving methods.

Day One: Ākonga will be identifying sources of stress in their lives and exploring stress management techniques, and problem-solving methods to help alleviate these stresses. From breathing techniques to meditation walks, courses will be adapted to suit the needs and comfortability levels of ākonga.

Day Two: Support is always near, and today ākonga will investigating relevant support services available to them in Aotearoa New Zealand. Ākonga will also work to solve a complex problem of their own using problem solving methods like pros and cons, brainstorming, and the six thinking hats.

DRIVERS LICENSING

Below are some options to assist with Learner's and Restricted License. While we will pay for these courses, we do not pay license fee. **If you cannot afford to sit test and have access to community service card, either yourself or guardian, you can contact your nearest NEETS provider and they will assist you.** See this website: <https://www.youthservice.govt.nz/find-your-nearest-provider/>

A good FREE resources to start with for Learners License is here:

<https://www.drivingtests.co.nz/roadcode/car/>

OR

<https://www.aa.co.nz/drivers/driving-school/road-code-quiz/>

Defensive Driver's License

AA Driver Training

Get your full licence 6 months earlier! Attend the NZTA approved Defensive Driving course to fast track you to your full licence, increase your chances of passing your driving test first time around and become a safer driver. The AA Defensive Driving course will give you the skills, knowledge and confidence to be a smarter and safer driver. You'll learn important defensive driving skills, such as assessing and identifying hazards, so you can reduce the risk of being in a crash. The course takes 9 hours to complete and includes 4 classroom sessions and 1 in-car session plus access to the online driver training system. You can complete this course while on your Learner, Restricted or Full Licence, how ever **you must have access to a vehicle take the practical test and this must be legal, operating and you will need to make sure you are covered by insurance.**

For locations and eligibility click [here](#). Also available Online.

Schools Young Driver (online)

SharpDrive

The Schools Young Drivers course consists of online training modules that cover the core components from the Driver Essentials Course (driver safety elements of driver awareness, driver behaviour and driver wellbeing) as well as Road Code topics.

Youth Psychological First Aid (1 day)

Youth Psychological First Aid is aimed at young people 15 years and up, or leaders working with young people. It's a simple, yet powerful way of helping someone in distress, so they feel calm, supported, and able to cope with their challenges - whether it's personal, work-related or affects the whole community.

- Understand what Psychological First Aid is and isn't.
- Become familiar with distress reactions.
- Have tools to be able to provide Psychological First Aid using 'The Five Elements' tool and the action principles: 'look, listen and link.'
- Practice providing Psychological First Aid.

Venue	Duration	Dates	Times	Unit Standard
Group Booking Only (10 akonga min)	Approx 6 hours.	All year round	8:30am – 5pm	No Standards Attached

First Aid for young Children (1 day)

First Aid for Young Children is designed for people who have responsibility for young children, including those who provide home-based services for young children, such as babysitters or nannies. It is also suitable for parents, caregivers, and grandparents. This course builds confidence and skills required to provide a safe first aid response, and the management of children and infants, the scene and other bystanders, until the arrival of other assistance. Please note this is not recommended for childcare businesses such as kindergartens or schools.

What this course covers

- Emergency care aims.
- Emergency scene assessment.
- Getting help and support.
- Primary assessment /DRSABCD/levels of responsiveness.
- Cardiopulmonary Resuscitation (CPR) and stable side position.
- Foreign body airway obstruction (choking).
- Bleeding.
- Recognise and manage fractures.
- Breathing difficulties – recognising breathing difficulties and asthma.

- Poisoning.
- Anaphylaxis – including action plan.
- Febrile seizures/infantile convulsions.
- Burns.
