

**Please complete all sections.**

An incomplete application will result in a delay in processing and your form may be returned to you to complete. Please use the checklist at the back of this form to ensure you have completed the application for enrolment correctly.

To be considered for enrolment in Te Aho o Te Kura Pounamu (Te Kura) as a full-time secondary student, the student must fit into one of the categories below. You must also be able to provide the stated documentation required for the category ticked. The student must be a New Zealand citizen, permanent resident or verified domestic student and unable to attend a local school because:

**Access**

- The student is unable to attend a reasonably convenient school because of its distance or inaccessibility from their home (i.e. the family lives more than 4.8 km from the nearest school or bus route, or they are located behind a geographic barrier).  
**When you have submitted the form, we will contact the Ministry of Education School Transport Service Agent to confirm you meet this eligibility.**
- The student would otherwise need to change school each term because their caregivers are itinerant, the minimum period of itinerancy being six months.  
**To verify that this criteria is being met, we ask that you complete the itinerary in section 2 showing the times and locality of your movements over the next six months. We need details of locations to be visited, dates and duration of stay.**
- The student is pregnant, or has the primary care responsibility for a child.  
**A medical or midwife's certificate (on letterhead) stating the estimated due date of birth, or a copy of the baby's birth certificate.**
- The student is an elite athlete, dancer, musician, sports person or an outstanding actor or performer and their development programme precludes attendance at a reasonably convenient school. Please attach a letter of attestation from the formally constituted and recognised national body for the sport or art:  
**(a) attesting that the student's exceptional attributes mean that they are likely to either represent New Zealand or develop to the top of the field for their age-group; and  
(b) confirming that the programme planned for their development is appropriate and precludes attendance at a regular school; and  
(c) advising the likely duration of enrolment; and  
(d) providing an educational profile from the student's previous school.**

**Referral**

- The student is in the custody and/or guardianship of Child, Youth and Family.  
**Please include a letter signed by the CYF manager that:  
(a) clearly states the supervision arrangements for the student's study with Te Kura  
(b) provides an educational profile, and the name of the previous school, and  
(c) sets a review period for ascertaining whether a face-to-face schooling option is available and appropriate.**

- The student is in the custody of the Department of Corrections.  
**Please include a referral from a department manager specifying the:  
(a) duration of the enrolment  
(b) arrangements for the supervision of study.**
- The student cannot attend a local school on assessed psychological or psycho-social grounds.
- Student is under 16 years of age, and is non-enrolled and is unwilling to attend school and the local schools are unable to meet the student's needs.
- The student has been excluded or expelled from school.  
**The three gateways above; Psychological/Psycho-social, Non-enrolled and Exclusion/Expulsion all require a letter of referral from the Ministry of Education. Contact your local Ministry of Education office to check if you are eligible under these criteria before completing this form.**

Contact Enrolment Services on 0800 65 99 88 if you require more information.

**What happens next?**

If the enrolment is accepted, you will receive written confirmation. This enrolment can be filled out online at [www.tekura.school.nz](http://www.tekura.school.nz).

**Please note:**

At the time of publication the programmes described on our website ([www.tekura.school.nz](http://www.tekura.school.nz)) are all available. Please note that Ministry of Education funding arrangements and enrolment criteria for Te Kura may change. Accordingly, the courses that you select may not be available to you. Te Kura may be required to withdraw or restrict enrolment to programmes at any time. If you enrol in a programme that is subsequently withdrawn or restricted in terms of enrolment, we will contact you.

## 1. Academic Record

Te Kura needs to confirm the student's academic record to date with their previous school. The Principal or class teacher from the previous school must complete a student educational profile if requested. If the student has been home-schooled, the family must provide details. The privacy statement below explains who will have access to this information. If you have any concerns please contact us.

## 2. Privacy

Te Kura is required to collect personal information from students in order to comply with obligations laid down by the Ministry of Education and the Education Act 1989. This information will be used to provide for the educational and general advancement of the student and for the purpose of carrying out the activities of the school.

The school may also provide this information to other third parties, including the New Zealand Qualifications Authority, the Ministry of Social Development and other relevant agencies, where it relates to the education, health, welfare or safety of the student, both during and after enrolment at Te Kura.

Under the Education Act 1989 and the National Administration Guidelines, parents and guardians have the right to access information directly relating to matters concerning the education of their child/student.

Under the Privacy Act 1993, any other personal information about a student held by Te Kura can only be released to the student. Personal information about a student will only be released to another party, including parents and guardians, with the student's written permission or where the Privacy Act provides for an exception to be made.

You have the right to access and request corrections to personal information held by the school. Please put your request in writing to the school's Privacy Officer.

Any requests for personal information about a student not directly related to their education should also be put in writing to the school's Privacy Officer.

Please advise the school if you have any concerns about the information held by us relating to this enrolment.

## 3. Supervision

If the supervisor nominated in your application is not the student's parent or guardian, as a parent/caregiver of a student of Te Kura you are required to declare that you:

- know the individual nominated as the student supervisor;
- believe that this individual can adequately supervise the student, is a fit and proper person to be a student supervisor and does not pose a risk to the safety of the student; and
- are not aware of anything that would make the individual unsuitable to be a student supervisor (including but not limited to any previous criminal convictions).

Your agreement to the declaration statement in your student's enrolment application is confirmation of this.

## 4. Authentication

Te Kura has to ensure that work presented for assessment is the student's own work. The parent/caregiver of a student enrolling in courses that lead to New Zealand national qualifications must ensure that the student understands that work sent in for assessment must be their own. Plagiarism detection software may be applied to any work presented for assessment. Your agreement to the declaration statement in your student's enrolment application

is confirmation of this understanding.

This means:

- The student undertakes to present their own work for assessment and signs the authentication statement on the cover sheet of all assessment activities as a guarantee of this. If working online at NCEA Level 1, the student and supervisor sign an authentication statement at the start of each course which is uploaded to the designated dropbox in Te Kura's Online Teaching and Learning Environment (OTLE); the student also completes the online authentication statement for all assessment activities at the time of submission.
- In courses that lead to New Zealand national qualifications, assessment activities may require supervision. These will be supplied in sealed packs and must be done with a supervisor and under test conditions. The student and their supervisor must sign the authentication statement on the cover sheet. The same procedure applies to examinations. If working online at NCEA Level 1 assessment activities will be released to the student by their teacher and must be done with a supervisor and under test conditions. The student must complete the online authentication statement and supply their supervisor's name and the relationship of the supervisor to them when uploading the assessment activity to the designated dropbox in Te Kura's online teaching and learning environment (OTLE). The same procedure applies to examinations.

## 5. Complaints

Supervisors and their students are able to discuss the student's learning needs and concerns with Te Kura staff. In the event that the concern cannot be resolved, Te Kura has formal complaints procedures. Te Kura recognises that any student making a complaint should feel safe and supported and that by making a complaint they will not be academically disadvantaged.

## 6. Information Communications Technology

The following Te Kura Information Communications Technology (ICT) Student Use Agreement is for the protection and safety of students enrolled at Te Kura. By agreeing to the declaration statement in your enrolment application, you agree to comply with the terms of this agreement.

When using ICTs it may not always be possible for Te Kura to filter or screen all inappropriate material. For a guide to the range of material that Te Kura would regard as inappropriate, go to the Netsafe website ([www.netsafe.org.nz](http://www.netsafe.org.nz)). It is therefore your responsibility to:

- not deliberately access such material
- not distribute such material by copying, printing, emailing, posting on the Internet or any other method and
- not have any involvement with such material.

You should only use Te Kura ICTs for purposes relating to school work.

Te Kura computer facilities must not be used for any purpose or in any way that harms or might harm other people.

If you become aware of or accidentally access any inappropriate material on Te Kura ICTs, you must immediately report this to your teacher.

Te Kura reserves the right to monitor your communication, work or data relating to communication technologies.

Te Kura also has a Cyber Safety policy for the protection and safety of its students.

## 7. Course availability

Te Kura may be required to withdraw or restrict enrolment to courses at any time. If you enrol in a course that is subsequently withdrawn or restricted in terms of enrolment, we will contact you to discuss other study options. Refer to our website for the latest information on available courses and eligibility.

## 8. Items to be provided by students

Most Te Kura courses are available online or use online resources. You will need to have access to a computer with internet connectivity in order to enrol in these courses. Please ensure you have such access, or are eligible for our laptop and internet assistance programme, before enrolling in an online course. Other courses may require you to provide particular materials and/or equipment.

Refer to our website at [www.tekura.school.nz](http://www.tekura.school.nz) for information about our laptop and internet assistance programme and materials, equipment and books required for specific courses or call us on 0800 65 99 88.

## 9. Fees and the school's refund policy

### Refund of the course fee in the event of enrolment withdrawal

Eighty per cent of the course fee(s) paid by a fee-paying student will be refunded provided the withdrawal application is received before the expiry of one month after the enrolment has been completed.

Refunds for any withdrawal applications received outside of this one month period will be at the discretion of the Enrolment Services Manager and may only be considered where exceptional circumstances are demonstrated.

Refunds will not be made for any materials (including items of equipment) returned to Te Kura.

### Administration fees (adult students only):

All adult enrolments are charged an administration fee set for the year the study is undertaken regardless of when the enrolment is accepted. A fee is payable per course. This must be paid in full at the time of enrolment and cannot be paid in installments.

### Full-time and young adult students

Full-time and young adult students may remain enrolled up to and including the end of the school year in which the student turns 19 years of age.
