Mobile Elevated Work Platform

New Zealand First Aid

Working at Height Basic

Wintec – Te Pūkenga | Computer Aided Drawing

Throughout this introduction day, you will enter the exciting world of Computer-Aided Drawing (CAD), learning basic dimensioning skills, scaling and an introduction to 2D or 3D CAD drawing. Using AutoCAD for 2D drawing and Solidwork/Inventor for 3D, this taster will provide you with a hands-on, practical application of your learned drawing skills. These tools are in high demand in many industries, including architectural, engineering and trades occupations. **Years 11 and above**

- Students will need to be at least 15 years of age to enter our trades workshops due to health and safety requirements and will need to have a basic knowledge of computers.

Location	Term / Week / Date	Times
The Hub, Rotokauri campus		8:45am to 3pm

Wintec – Te Pūkenga | Food Safety Methods, Hazards & Control

This course introduces you to the food and beverage preparation and service industry. It provides you with the necessary skills and knowledge to prepare and serve food safely and identify food contamination hazards and methods of control.

Year 11 and above

- 1 day per week over 3x weeks - **MUST attend all dates to complete unit standards.**

Location	Information	Times	Standard
The Hub, Rotokauri campus	TBC – 3 Day Taster Course organised on request.	8:45am to 3pm	US167 (Level 2, Credits 4) US20666 (Level 2, Credits 2)

Wintec – Te Pūkenga | Creative Media Taster

This day will provide you with an introduction to our creative media programme offered in our [Bachelor of Communication](#). You will explore how to use words, audio, and images to communicate innovative ideas on digital platforms and connect with people through multimedia storytelling. In a fun and creative environment, you will generate ideas and critique print, broadcast, and online media components during the day.

Location	Dates 2025	Times
The Hub, Hamilton City Campus	14 March 16 May 30 May 8 August	8:30am to 3pm

Wintec – Te Pūkenga | Music Production Taster

This course is a one-day taster of the [Bachelor of Music and Performing Arts](#) Audio Production programme. You will learn a range of music and audio skills, including the behaviour of sound, audio recording, editing, mic placement, and mixing techniques. You will get to use microphones, record instruments, and vocals in a professional recording studio, as well as the opportunity to run the mixing desk yourself, using the popular recording programme Logic Pro X. This course is the perfect starter for you if you are curious about a pathway into our *Bachelor of Music and Performing Arts*.

Location	Dates 2025	Times
The Hub, Hamilton City Campus	21 March 9 May 23 May 15 August	8:30am to 3pm

Wintec – Te Pūkenga | Short Video Production Taster

If you are interested in videography and producing screen content for multimedia platforms, this one-day taster is for you. You will learn about the video production process and create projects of your own. You will also learn camera and editing fundamentals and how to develop a creative concept, plan, shoot, and edit a video. This course is ideal for those who picture themselves as future filmmakers and will give you an insight into a creative pathway, which our [Bachelor of Communication](#) degree offers.

Location	Dates 2025	Times
The Hub, Hamilton City Campus	1 August 15 August	8:30am to 3pm

Wintec – Te Pūkenga | Intro to Illustrator Taster

During this course, you will learn how to navigate Adobe Illustrator using industry-standard software (Adobe Creative Suite) in our computer lab. You will develop fundamental skills for creating vector imagery/illustration and typography and gain the ability to use tools including pen, shapes, brush, selection, layers, type, colours, and the pathfinder. By the end, you will be able to create multi-coloured designs using Adobe Illustrator. If you are interested in pursuing a career in design, this course is an excellent starter for you.

Location	Dates 2025	Times
The Hub, Hamilton City Campus	14 March 4 April 9 May 6 June 8 August	8:30am to 3pm

Wintec – Te Pūkenga | Photoshop Taster

During this taster, you will gain a basic understanding of Adobe Photoshop, learning about image adjustment and colour grading for photography. You will develop skills by adjusting brightness, colour balance, hue and saturation, and conversion to black and white from colour. You will also learn to work with layers, retouch images, and explore colour grading for creative expression.

Location	Dates 2025	Times
The Hub, Hamilton City Campus	7 March 21 March 23 May 22 August	8:30am to 3pm

Wintec – Te Pūkenga | Performing Arts Taster

This is a day for developing your skills as an onstage performer. At this taster, you will work with a group of theatre professionals to help you improve your performance skills by using your voice, body language, movement, and stage presence.

This taster will give you an insight into our [Bachelor of Music and Performing Arts](#).

Location	Dates 2025	Times
The Hub, Hamilton City Campus	14 March 16 May 22 August	8:30am to 3pm

Wintec – Te Pūkenga | Painting and Drawing Taster

This is a fun, hands-on day of making art using dry media, ink, and paint on a large scale. In this taster, you will experiment with a range of techniques to create visual artworks. You will begin with some drawing tasks and keep a document of what you see. You will be guided through experimental exercises that will take you from observation to invention.

Location	Dates 2025	Times
The Hub, Hamilton City Campus	7 March 21 March 9 May 6 June 22 August	8:30am to 3pm

Wintec – Te Pūkenga | Printmaking Taster

During this taster, you will learn about the screen-printing process. You will develop your skills by cutting stencils, using silk screens, and water-based ink to print designs.

Skills and techniques you will explore include:

- Concept development
- Screen-print technology
- Instructed drawing

Location	Dates 2025	Times
The Hub, Hamilton City Campus	11 April 16 May	8:30am to 3pm

Wintec – Te Pūkenga | Interior Design Taster

This taster will give you an insight into the Spatial Design pathway of our [Bachelor of Design](#) degree. Here you will gain skills to create beautiful interiors where you will explore design techniques, colour, and space planning in a workshop setting. You will be introduced to assessing client requirements and how to create an exciting new interior. This will see you creating mood boards for clients through to developing the final design concept using computer-aided drawing (CAD) and a range of creative processes.

Location	Dates 2025	Times
The Hub, Hamilton City Campus	7 March 21 March 9 May 23 May 8 August	8:30am to 3pm

Wintec – Te Pūkenga | Hairdressing Taster

This workshop gives you the opportunity to experience hairdressing in a real salon. You will get the chance to shampoo and perform a conditioning treatment on each other, as well as style long hair using all the tools and equipment used in a commercial salon.

This practical, fun-filled and hands-on experience gives you an insight into our [Wintec Hairdressing programme](#). It can be a high-energy environment and physically demanding at times. Please note that numbers are capped due to industry regulations.

Location	Dates 2025	Times
The Hub, Rotokauri Campus	5 March 19 March 2 April	8:30am to 3pm

Wintec – Te Pūkenga | Beauty Taster

This taster day gives you a basic understanding of what goes on in a beauty salon. You will have the opportunity to try your hand at a range of mini facials and understand the fundamentals of skincare. You will also explore the basic processes of nail care.

You will gain an inside into our [Wintec beauty programmes](#), experiencing the professional requirements of a beauty salon working environment, in line with industry expectations.

Location	Dates 2025	Times
The Hub, Rotokauri Campus	5 May 19 May 9 June	8:30am to 3pm

Wintec – Te Pūkenga | 4 Day Barista Taster

This four-day taster experience will guide you through the theory and practice of espresso coffee preparation. You will study the "ins and outs" of being a barista in our Windows Restaurant barista laboratory. You will gain an understanding of commercial espresso coffee equipment and make popular drinks with it while being supervised. You can earn credits for unit standard 17285 after successfully completing the course.

Location	Dates 2025	Times	Standards
The Hub, Rotokauri Campus	31 July 7 August 14 August 21 August	8:30am to 3pm	17285 L2 Credits 4

Wintec – Te Pūkenga | Intro to Cookery Taster

If you are interested in becoming a chef, then this introductory taster day will give you a true sense of what it is like to work in this fast-paced and exciting industry. You will get a taste of life as a Wintec culinary student on campus by preparing a variety of dishes and learning about the day-to-day operations of a commercial kitchen. This is a great pathway into our [Culinary Arts programmes](#).

Location	Dates 2025	Times
The Hub, Rotokauri Campus	5 May 19 May	8:30am to 3pm

Wintec – Te Pūkenga | Provide Table Service in Hospitality Taster

This course is a three-day hands-on taster programme where you will gain the required skills and knowledge to perform table service in a variety of hospitality settings. You will learn how to take orders, serve guests, and maintain tables during service. This is a pre-entry unit standard for those who are learning to work as food service workers across a range of food and beverage establishments.

Location	Dates 2025	Times	Standards
The Hub, Rotokauri Campus	25 March 1 April 8 April	8:30am to 3pm	US14436 Level 2, Credits 4

Wintec – Te Pūkenga | Prepare and bake basic breads Taster

Are you curious about a career in baking? Get a slice of the action with our basic breads taster course. You will get a hands-on experience in mixing, shaping, and baking delicious breads. This practical introduction to professional baking will give you a taste of what it is like to work in a commercial kitchen and an inside look at what it is like being a culinary student at Wintec

Location	Dates 2025	Times	Standard
The Hub, Rotokauri campus	17 March 24 March 31 March 7 April 4 August 11 August 18 August 25 August	8:30am to 3pm	US23083 (Level 2, Credits 4)

Wintec – Te Pūkenga | Intro to Animal Technology Taster

In this taster, you will have the opportunity to learn in our purpose-built animal handling facility and experience what it is like as a student in one of our [animal technology programmes](#) here at Wintec. On this day, you will learn basic breed identification (cats and dogs), animal behaviour, and an overview of how to perform a health check. You will also participate in microscope and x-ray activities.

Location	Dates 2025	Times
The Hub, Rotokauri campus	9 May 18 July	8:30am to 3pm

Wintec – Te Pūkenga | Business Taster

Experience life as a Wintec business student at this one-day taster. Throughout the day, you will have the opportunity to discover the dynamic nature of today's business environment and explore basic business concepts. During the day, you will:

- Participate in workshop activities
- Build relationships with your peers in preparation for tertiary-level study
- Engage with specialists in their management fields and associated activities
- Get the chance to speak with current learners and industry partners
- Complete an amazing race around campus
- Explore pathways for business and management studies

This experience will give you an insight into our [Bachelor of Applied Management](#) and [Bachelor of Accounting](#) programmes and the range of career pathways you can take.

Location	Dates 2025	Times
The Hub Hamilton City Campus	28 March 29 August	8:30am to 3pm

Wintec – Te Pūkenga | Health Taster

Explore what studying and working in the health and social practice sectors can be like. At this taster, you will learn about the areas of study at our [Centre for Health and Social Practice](#) which include:

- Midwifery
- Nursing
- Occupational therapy
- Physiotherapy
- Counselling

- Social work

After hearing about these subjects and career opportunities in each sector, you can select two areas of study/disciplines to explore further. This involves learning more in-depth discussions, participating in a practical skills lab session and gaining insight into student life at Wintec | Te Pūkenga. We can also help guide you with what subjects at secondary school will help with applying to these programmes.

Location	Dates 2025	Times
The Hub, Hamilton City Campus	7 March 4 April 25 July 8 August	8:45am to 3pm

Wintec – Te Pūkenga | Early Childhood Education Taster

Spend a day at our Wintec Hamilton City Campus, exploring an exciting and rewarding early childhood education teaching career. At this taster, you will:

- Learn more about our early childhood education degree: [Te Paetahi Akoranga Bachelor of Teaching \(ECE\)](#)
- Gain insight into student life at Wintec
- Learn about the holistic wellbeing of tamariki by exploring the early childhood education curriculum *Te Whāriki: He whāriki mātauranga mō ngā mokopuna o Aotearoa early childhood curriculum (Te Whāriki) (Ministry of Education, 2017)*
- Develop an understanding of educating and caring for tamariki under five years old
- Develop an insight into the value of play for tamariki

Please note this taster involves learning about teaching young children. It does not include working with young children on the day.

Location	Dates 2025	Times
The Hub, Hamilton City Campus	27 March 22 May 24 July 4 September 16 October	8:30am to 3pm

Wintec – Te Pūkenga | Horticulture and Arboriculture Taster

Experience our Hamilton Gardens Campus and learn about our [Horticulture](#) and [Arboriculture](#) programmes. This taster is experience-based, and you will spend half a day exploring both focus areas.

Horticulture

You will gain an insight into the horticulture industry and then get to use your horticulture skills in our

orienteering challenge. You will participate in teams going around Hamilton Gardens, locating and correctly identifying rare trees and shrubs. The winning team will win a prize.

Arboriculture

Experience life as an arborist in the industry and learn about tree maintenance and how to climb trees safely, using all the right equipment.

Location	Dates 2025	Times
The Hub, Rotokauri campus	TBC	8:30am to 3pm

Wintec – Te Pūkenga | Landscape Taster

Discover our Hamilton Gardens Campus and learn what being in the [landscape design and construction](#) industry is like. This taster is experienced-based, and you will spend half a day exploring both focus areas; design and construction.

Landscape design

Experience being a landscaper and learn about computer-aided drawing (CAD), colour design, and planning.

Landscape construction

You will get to be creative and work with power tools to build and make a stool.

Location	Dates 2025	Times
The Hub, Rotokauri campus	TBC	8:30am to 3pm

Wintec – Te Pūkenga | Engineering Taster

Do you want to experience engineering in the area of civil, mechanical, electrical or electronics? A career in the engineering industry explores how knowledge, skills and technology can better serve individuals and communities.

Throughout this workshop, you will be able to try out several engineering disciplines and determine which of these [engineering pathways](#) you would like to pursue in your future career. You will be given the opportunity to learn about various car designs and how electrical, mechanical and civil engineering concepts are involved.

Location	Dates 2025	Times
The Hub, Rotokauri campus	20 March 22 May 13 August	8:30am to 3pm

Wintec – Te Pūkenga | Intro to Computer Aided Drawing Taster

Throughout this introduction day, you will enter the exciting world of Computer-Aided Drawing (CAD), learning basic dimensioning skills, scaling and an introduction to 2D or 3D CAD drawing. Using AutoCAD for 2D drawing and SolidWorks/Inventor for 3D, this taster will provide you with a hands-on, practical application of your learned drawing skills. These tools are in high demand in many industries, including architectural, engineering and trades occupations.

Location	Dates 2025	Times
The Hub, Rotokauri campus	8 May	8:30am to 3pm

Wintec – Te Pūkenga | MIG Welding Taster

Are you interested in learning about fabrication? Join our fabrication tutors for this taster experience to see what it might be like as a mechanical engineer.

Throughout this day, our tutors will walk you through the fundamental health and safety standards of working in a workshop, as well as teach you basic welding procedures. You will be given a project to fabricate and weld, which you will be able to take home with you.

Location	Dates 2025	Times
The Hub, Rotokauri campus	3 March 24 March 19 May 9 June 4 August 18 August	8:30am to 3pm

Wintec – Te Pūkenga | Automotive Taster

Are you interested in learning about the automotive industry? This taster day is a great pathway to our [Automotive Engineering course](#) and will give you a look into life as an automotive engineering technician.

Throughout this one day taster, our automotive tutors will lead you through an introduction to vehicle inspections and activities, including how to install tyres, check for brake wear, and basic vehicle servicing. You will also experience an inspection of a vehicle where you will identify the main parts of a car.

Location	Dates 2025	Times
The Hub, Rotokauri campus	17 March 5 May 28 July	8:30am to 3pm

Wintec – Te Pūkenga | Carpentry Taster

Develop your carpentry hand skills and determine whether a job in the construction business is suited for you at this one-day taster. The construction business is a high-demand industry, and gaining the fundamental skills to start a career in carpentry is an excellent first step. Here, you will learn about basic hand tools and safety in the workshop and work on a small project you can take home with you. This is a great pathway into our [Carpentry Certificate](#) or [Construction Trade Skills](#) courses.

Location	Dates 2025	Times
The Hub, Rotokauri campus	3 March 9 June 11 August	8:30am to 3pm

Wintec – Te Pūkenga | Electrical Taster

Are you interested in a career as an electrical engineer? This taster experience is a great opportunity to explore the industry and have a look at what it is like as a student studying in our [Electrical Engineering course](#).

Throughout this workshop, our electrical tutors will lead you through basic practices and principles of electricity through wiring fundamentals and safety activities.

Location	Dates 2025	Times
The Hub, Rotokauri campus	17 March 5 May 4 August	8:30am to 3pm

Wintec – Te Pūkenga | Outdoor Education Taster

Explore the world of outdoor adventure and education. On this taster day, our outdoor education team will provide you with an insight into outdoor pursuits, including rock climbing, abseiling, bush tramping, sea kayaking, canoeing, caving, camping, mountain biking, and alpine. Take part in a range of outdoor activities and team challenges while learning practical skills.

Location	Dates 2025	Times
The Hub, Rotokauri campus	11 March 12 June 11 September 24 October	8:30am to 3pm

Wintec – Te Pūkenga | Sport Science Taster

Discover the world of sport science, human performance, and outdoor experience. This taster day explores what our Centre for Sport Science and Human Performance can offer you. Whether you want to elevate athletic ability with cutting-edge insights from our sport science experts, support health and

wellbeing practice within an Aotearoa context, relieve tension and optimise performance with specialised massage techniques, or embark on exhilarating outdoor expeditions, master survival skills and foster teamwork in nature's classroom, this STAR taster is for you.

Throughout the day, tutors will take you through a practical, fun-filled, and interactive experience where you will gain insight into our programmes, prospective jobs, and real-world skills while interacting with technology, lab equipment, and hands-on body testing.

Location	Dates 2025	Times
The Hub, Rotokauri campus	4 April 17 September	8:30am to 3pm

Wintec – Te Pūkenga | Plumbing Taster

Are you interested in becoming a plumber? This taster day is a great way to pathway into our [Plumbing, Gasfitting, and Drainlaying](#) course and will give you insight into life in the plumbing industry.

Throughout this one-day taster, our plumbing tutors will introduce you to the plumbing trade. They will help you gain an understanding of the industry, with a basic knowledge of the practical skills, while building a small project.
